Monday 22 March

Live Workshop 1

Anatomy of A Stand Out Message

In Workshop 1, we dive into why your message matters, how to get crystal clear on your niche and what it takes to create a message that makes you stand out from everybody else! A message that makes it super easy for dream clients to find you!

Live Workshop 2

Messaging Pitfalls

Workshop 2 is all about messaging pitfalls - the mistakes business owners make that can hold you back and stop you from connecting with your ideal clients which means they never become paying clients! I'll show you what to do instead.

Live Workshop 3

Magnetise Your Dream Clients

In Workshop 3, we'll be diving deep into what it takes to magnetise ideal clients - just how do you get their attention? How do you cut through the noise? How do you stand out so they can see you - take it from someone who's 5' 1", this is key!
